

# The easiest way to collaborate.

Edit, post and share content with your peers in a simple way.

[TRY IT FOR FREE](#)

## Create

Bring your ideas to life with the ability to develop, store, and organize your content within a central, easy-to-use interface.

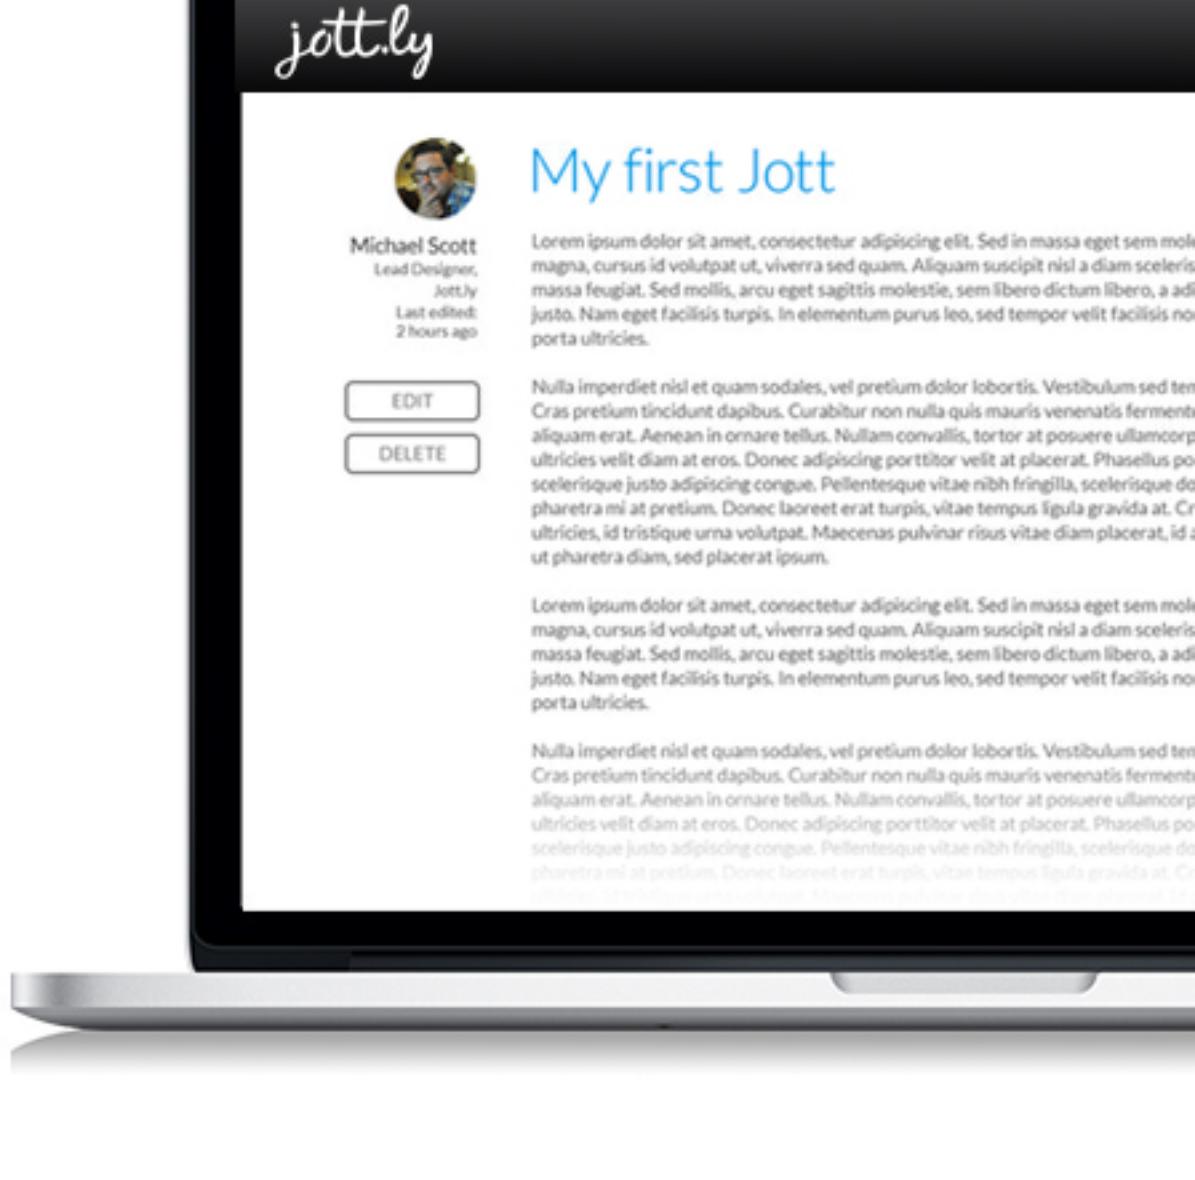

## Share

Distribute your content to your contacts regardless of platform, with a single click.. Keep track of your shares by seeing who, when, and what you sent.

## Collaborate

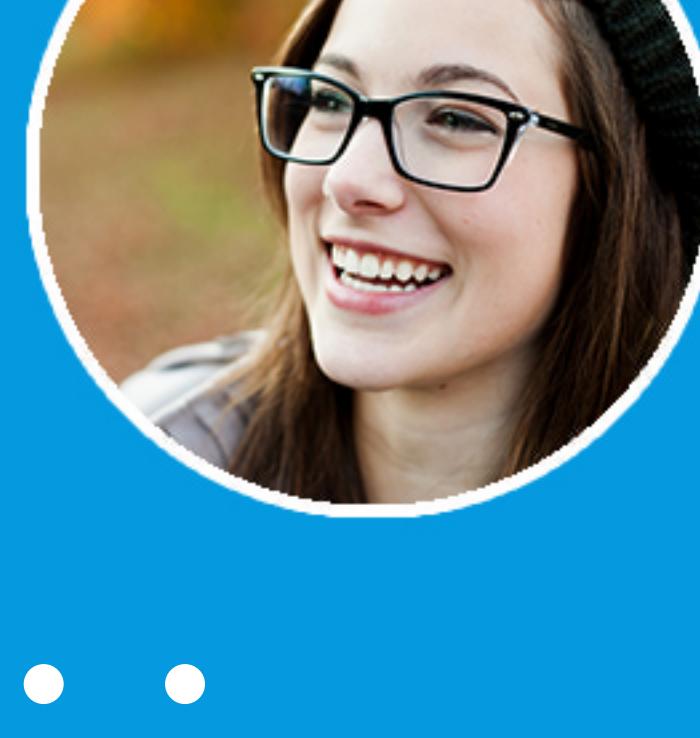

See, send, and respond to contributors in real-time, making it easier than ever to move thoughts and ideas into something big.

## How People Are Using Jott.ly

### Christy, Technical Writer

Christy uses Jott.ly daily across a team of engineers, editors, and other writers. Jott.ly gives her the tools she needs to make working cross-departmentally quick and easy.
